Total Requirements for Section B:			6.0

* Denotes legal specialty courses.

Note: The ABA requires a minimum of 18 units of legal specialty courses for Certificate candidates. Please see next page for more information.

Certificate Candidates: A student may earn a Paralegal Certificate if the student has already completed an A.A. Degree or B.A. Degree prior to taking any courses applied to the Paralegal Certificate. Students must complete a total of **22.0** units of Core Requirements and 6.0 units of Elective Courses designated by an * in Section “B,” for a total of **28.0** units. Up to six units may be transferred into our Program, as long as (i) the units you want to transfer into Cerritos were obtained from another ABA approved program with a grade of pass or “C” or higher; and (ii) the transferring class is comparable to the Cerritos College Paralegal class. Students must consult with the Counseling Department prior to entering the Certificate Program to verify eligibility. Any Law courses which were taken prior to completion of the student’s requisite A.A. Degree will not count as part of the certificate units. No course may be taken as “Credit by Exam.”

This program is approved by the American Bar Association (ABA)
