Pedestrian Access Photo Guide

PHOTO	ACCESS / CLOSURE INFORMATION
A photograph showing a wide, paved pedestrian path running east-west. To the left is a modern building with large glass windows. To the right is another building. A green arrow is superimposed on the path, pointing east. A photograph showing a wide, paved pedestrian path running east-west. To the left is a building with a sign that says 'CERRITOS COLLEGE'. To the right is a large building with a glass facade. A green arrow is superimposed on the path, pointing east. OPEN: Thoroughfare from Studebaker to Kinesiology <i>Photo: Primary east-west paths of travel across campus beginning at the north and south sides of the Science building</i>	MAIN CAMPUS ROUTES The primary east-west routes across campus remain open along the north and south sides of the Science Building, continuing toward Kinesiology.

PHOTO	ACCESS / CLOSURE INFORMATION
OPEN: Walkway in front of SSA Building Site OPEN: Walkway in front of PAC (not pictured) <i>Pedestrian access along the north (SSA) and south (PAC) sides of Falcon Square will be open.</i>	FALCON SQUARE Pedestrians may travel along the north and south sides of Falcon Square, including along the new SSA construction site and the PAC. Follow posted signs and designated routes.
CLOSED: No through-access east of Administration to Alondra Boulevard <i>Enter from the north to access the ADA ramp entrance to Administration Building.</i>	ADMINISTRATION / ALONDRA ACCESS There is no through-access east of the Administration Building toward Alondra Boulevard. You will not be able to access the east entrance of the Administration from the south, but you can access it from the north.

PHOTO	ACCESS / CLOSURE INFORMATION
 OPEN: Counseling Entrance <i>Use the Counseling entrance, west entrance, or north entrance to enter the Administration Building.</i>	ADMINISTRATION BUILDING The path of travel to the north side of Administration will route through the Counseling area. For general access, pedestrians will be better served by the west or north entrances.
 OPEN: ADA Accessible Entrance to Administration Building <i>Accessible entrance is open on the east side of the Administration Building but you cannot enter from the south side of campus.</i>	ACCESSIBLE ADMINISTRATION ENTRANCE The east-side Administration entrance remains available for accessible access. This entrance primarily serves the accessible route; for general access, use the northwest or south entrances.

PHOTO	ACCESS / CLOSURE INFORMATION
 CLOSED: East Walkway and Entrance to Library/LRC <i>The Falcon Square side of the Library/LRC will not be accessible during construction.</i>	LIBRARY / LRC There is no pedestrian access along the east side of the Library/LRC, and the Library/LRC entrance/exit facing Falcon Square will be closed. Enter the Library/LRC through the north entrance.
 CLOSED: West Walkway and Entrance to Student Center, Food Court, VRC, Falcon's Nest, Culinary Arts <i>West-side Student Center and Food Court access will be closed.</i>	STUDENT CENTER / FOOD COURT There will be no access from the west side of the Student Center or Food Court, including the existing ramp. Use another building entrance on north, south or east sides.
