

Associated Students of Cerritos College

IN THE SENATE OF THE ASSOCIATED STUDENTS

April 22, 2026

Senator Ruiz introduced the following Bill,
Chief of Staff Guerrero seconded the following Bill.

A JOINT BILL

Funding Reallocation for CPR/BLS Certification Event

JB-2526-03

- Whereas:** The HOSA (Health Occupations Students of America) Cerritos College chapter and the Cerritos College Humanitarian Club are committed to promoting health education, emergency preparedness, and community service among students; and
- Whereas:** CPR (Cardiopulmonary Resuscitation) and BLS (Basic Life Support) certifications provide critical, life-saving skills that empower students to respond effectively in emergency situations; and
- Whereas:** These certifications are especially valuable for students pursuing careers in healthcare, public service, and community leadership; and
- Whereas:** The proposed CPR/BLS Certification Event will provide formal training and certification for a limited group of 25 students due to instructor capacity and certification requirements leading the total cost of the event to be \$1,595.00; and
- Whereas:** The HOSA club initially received senate funding earlier in the academic year; however, this specific certification event was not explicitly outlined in the original funding request [1]; and
- Whereas:** The Humanitarian Club similarly seeks to support this initiative by contributing funds from its allocated Senate budget; and
- Whereas:** Both organizations recognize the high impact of this event in equipping students with tangible, real-world skills that extend beyond the classroom and directly benefit the broader community;
- Resolved:** That HOSA reallocates \$750.00 from its previously approved Senate funds toward the CPR/BLS Certification Event; and
- Resolved:** That the Humanitarian Club reallocates \$845.00 from its previously approved Senate funds toward the same event; and
- Resolved:** That the combined total of \$1,595.00 will be used exclusively to cover the costs associated with CPR/BLS certification training for 25 students; and
- Resolved:** That registration for the event will be limited to 25 participants to ensure quality instruction, compliance with certification standards, and full coverage of costs; and
- Resolved:** The Associated Students of Cerritos College Senate approves JB-2526-03
