2017 Commencement

MAY 19, 2017

Cerritos College

2017 Commencement

FRIDAY, THE NINETEENTH OF MAY
TWO THOUSAND SEVENTEEN
SIX O'CLOCK IN THE EVENING

The President's Message

Dr. Jose Fierro
President/Superintendent
Cerritos College

To all graduates, congratulations!

I commend you for achieving a major goal in your lives. It is my pleasure to honor you today as we celebrate your accomplishments with those who have supported you along your journey.

I am very proud to see so many new graduates receiving their eagerly anticipated diplomas. Each of you are moving on to new challenges, new opportunities, and to new phases of your lives. I hope you are excited about continuing your education or about the career you are about to begin. You are ready!

You are the reason we are all here today. College trustees, administration, faculty, and staff share your pride and your excitement and are here to celebrate the completion of a team effort.

Thank you for making Cerritos College an extraordinary institution of learning.

Jose Fierro, D.V.M., Ph.D.

Commencement Speaker

Ms. Michele Siqueiros
President of the Campaign
for College Opportunity

Michele Siqueiros oversees the organization's strategy, policy priorities, fund-raising, and serves as the leading spokesperson for our work. Michele has been with the Campaign since 2004, serving first as the Associate Director and the past seven years as Executive Director and was named President in 2014. With her leadership in 2010, the Campaign led the effort for historic transfer reform that will make it easier for students to transfer from any California Community College to the California State University system and most recently led support for the passage of the Student Success Act of 2012. She was instrumental in assembling a statewide network of over 12,000 coalition supporters, involving over 50,000 young people and their families through the "Save Me a Spot in College" and "I'm One in A Million" scholarship contests awarding over \$670,000 in scholarship dollars, guiding the direction of the Campaign's research and releasing reports on the impact to the California economy and educated workforce needs, and securing passage of Campaign sponsored legislation to increase access to Pell Grants and promote college awareness for middle school students.

She currently serves on the Boards of the Institute for Higher Education Policy (IHEP), The EdSource Advisory Council, Alliance for a Better Community (ABC), and from 2011-2014, Michele served as a gubernatorial appointee to the California Student Aid Commission, the state agency responsible for distributing and awarding over \$1.7 billion annually in Cal Grant aid to California college students. In 2015, the Mexican American Opportunity Foundation named her their Woman of the Year. Hispanas Organized for Political Equality (HOPE) named Michele their HOPE Treasure in 2014. That same year, La Opinion Newspaper gave her the Hispanic Leader Award for her leadership in education. In 2008, La Opinion named her one of Los Angeles' Mujeres Destacadas (Outstanding Woman). She received her Bachelor of Arts in Political Studies and Chicano/a Studies from Pitzer College and her Master of Arts in Urban Planning from the University of California, Los Angeles.

“Stars and Stripes Forever”
by John Philip Sousa
Cerritos College Band

College Degrees

American colleges and universities confer four general types of degrees – the associate, bachelor's, master's, and the doctorate. These represent different levels of academic achievement.

THE ASSOCIATE IN ARTS DEGREE

usually indicates the completion of two years of collegiate work above the level of high school. It is generally thought that this degree is conferred by only community and junior colleges, but, in fact, it is also granted by some four-year institutions.

THE BACHELOR'S DEGREE

usually is conferred upon the completion of a four-year course of study and is the most common as well as the oldest collegiate degree used in the United States. The Bachelor of Arts degree was first conferred by Harvard College in 1642 and for 125

years was the only earned degree used in colleges and universities in the United States.

THE MASTER'S DEGREE

represents one year or more of advanced study beyond the bachelor's degree. In some instances, two years are required to complete courses in specialized fields.

THE DOCTORATE

is usually the most advanced degree. It usually takes at least three years beyond the bachelor's degree, but often longer, to complete all of the requirements for this degree. There are three main types of doctorate degrees – professional, research and honorary.

The following is a partial list of the colors which have been designated to represent the various areas of learning:

Arts and Letters, Humanities . . .	White	Medicine	Green
Business	Drab	Music	Pink
Dentistry	Lilac	Nursing	Apricot
Education	Light Blue	Oratory (Speech)	Silver
Engineering	Orange	Pharmacy	Olive
Fine Arts	Brown	Philosophy	Dark Blue
Home Economics	Maroon	Physical Education	Sage Green
Journalism	Crimson	Science	Gold-Yellow
Law	Purple	Theology or Divinity	Scarlet
Library Science	Lemon	Veterinary Science	Gray

Honor Graduates

The honor graduates are identified by the gold cord worn with their regalia. Graduates who achieve a 3.3 to 3.69 grade point average will graduate "With Honors". Those earning a 3.70 to 4.0 will graduate "With Highest Honors". Students achieving "Honors" are designated by one asterisk () and students achieving "Highest Honors" are designated by two asterisks (**) in this program.*

The Academic Procession

One of the most colorful parts of the commencement exercise is the academic procession, the opening of the time-honored and traditional ceremonies. The processional includes all of the participants of the exercises, the graduating class, faculty, board of trustees, and participating guests.

The graduating class wears the solid black gown marked with no hood or color. The college's faculty, which includes its instructors, counselors, and administrative staff, along with the trustees and the program guests, wear gowns indicative of their academic rank. The processional is indeed one of the most impressive of all collegiate ceremonies.

The heritage of the cap and gown, with the colorful spectacle of the academic array, dates back to the twelfth century and the establishment of the first universities in Europe. Although there have been many changes in design and color, each individual gown, with its rank, is symbolic of achievement in a special field.

The Continental System, still used by England and the rest of Europe, allows a distinctive design and color for each college and university. In the United States, however, a uniform intercollegiate Academic Code has been adopted. The code is a simple one, regulating the colors and materials to

be used. Knowledge of a few of these rules permits the viewer to "read" the regalia of any graduate of an American educational institution and know at once the wearer's degree, the field or department in which it was earned, and occasionally the college from which the degree was received.

Faculty gowns are divided into three groups, dependent upon the degree of the wearer. The bachelor's gown is one made of black worsted material with long, pointed sleeves, and the front is closed at the neck. The master's gown is either of black silk or wool and has a long closed sleeve with an arc of a circle appearing near the bottom and a slit, at elbow length, for the arm. The gown is worn closed at the front. The doctor's gown is black silk with full, round, open sleeves. It is faced with velvet and has three velvet bars on each sleeve. The color of the velvet is usually black but it may be of the same color of velvet as that which edges the hood. The gown is worn closed at the front.

The traditional black mortarboard-style cap is worn for all degrees, the only difference being the tassel. For bachelor's and master's degrees, it is usually black, but occasionally it is the color of the velvet on the hood. The doctorate tassel is gold and may be worn on a tam.

The academic costume is set off by the most distinctive of all insignia, the hood. The hood is made of black material to match the gown and varies in length according to the degree: bachelor's, three feet; master's, three and one-half feet; and doctorate, four feet. Each hood has a velvet edge of varying widths according to the degree: two inches, three inches, and five inches respectively. The edging is carried around to the front of the neck to form a neck band. The color of this velvet trim indicates the field or department of learning in which the degree was earned. All hoods have silk lining of the official color or colors of the college or university conferring the degree.

Cerritos College Alma Mater

Hail, Alma Mater

Your Sons and Daughters sing of the school

that they love so well

Loyal one, faithful, truthful, courageous,

These are the truths we learned beneath thy wing;

In our hearts we'll always cherish memories

In our minds we carry knowledge

gained from thee

Hail Alma Mater

Blue and White we honor

Your name Cerritos College.

— Jack Wheaton, 1959
