REVISED
NOTICE OF COVID-19 PROOF OF VACCINATION FOR ACCESS IN DISTRICT OWNED AND OPERATED FACILITIES

Effective January 3, 2022

To: All Contractors, Vendors, Suppliers, Consultants, and Visitors
Date: November 10, 2021
Re: REVISED District Covid-19 Safety Protocols

At its October 6 board meeting, the Cerritos College Board of Trustees adopted a vaccine-only policy that revises Board Policy 2905 (BP2905) and Administrative Procedure 2905 (AP2905), and applies to all persons who are in a District facility. The new Board policy will take effect on January 3, 2022 and will remain effective until it is terminated by the Board of Trustees.

This Notice summarizes the requirements of updated BP2905 and AP2905 in order to facilitate compliance with the revisions that are effective January 3, 2022.

1. Vaccination Requirement. All persons must be fully vaccinated against COVID-19 to access a District facility. A District facility is defined as any location owned and operated by the District. NOTE: These requirements do not pertain to any person if their access in a District facility is 10 minutes or less.
   1.1. Fully Vaccinated. To be fully vaccinated means more than two (2) weeks after administration of second dose of a two-dose series (Pfizer or Moderna), or more than two (2) weeks after administration of a single-dose vaccine (Johnson & Johnson).
   1.2. Exemptions. Contractors, Vendors, Suppliers, Consultants, or Visitors are responsible to comply with medical and/or religions exemptions according to their own company’s procedures, and must communicate those exemptions (i.e., names of individuals approved for medical or religious exemption; no other personal details) to their respective District representative. Approved exempt personnel will have to receive a negative COVID-19 test within 72 hours prior to access in a District facility, and provide weekly negative COVID-19 test results if continuous access to a District facility is required. A negative COVID-19 test is a negative PCR/LAMP/NAAT COVID-19 test or an antigen test administered by a licensed medical provider is required.

2. Verification of Compliance. All persons who are in a District facility must submit acceptable evidence of compliance with BP2905 and AP2905 as a condition to access in a District facility.
   2.1. Proof of Vaccination. The only acceptable forms of proof of COVID-19 vaccination are:
      - Center for Disease Control (CDC) vaccination record card (original or copy of card, digital photograph/PDF of card)
      - California Department of Public Health (CDPH) vaccination digital record
      - California Immunization Registry (CAIR) vaccination record
      - California Department of Public Health Digital COVID-19 Vaccine Record (DCVR)
   2.2. Proof of Negative COVID-19 Test [For Medical or Religious Exemptions Only]. The only acceptable forms of proof of negative COVID-19 test are:
      - Copy of test provider/laboratory printed test results
      - Email or text message from test provider/laboratory with test results

3. Submittal of Compliance Verification. The District will establish one or more locations for submittal of proof of compliance with BP2905 and AP2905, as noted in AP2905.

4. Access Authority. Upon verification of COVID-19 vaccination, a form of authorization (electronic or otherwise) to access in a District facility will be issued to each person complying with BP2905 and AP2905 requirements (COVID-19 Access Authorization). No access in a District facility will be permitted for any person who is not issued COVID-19 Access Authorization; any person in a District facility who has not been issued COVID-19 Access Authorization is subject to immediate removal from the District’s premises.

5. Effective Date. All persons must comply with the new revisions to BP2905 and AP2905 effective January 3, 2022; compliance with BP2905 and AP2905 is required unless and/or until BP2905 and AP2905 are amended or rescinded.

6. Additional COVID-19 Prevention Protocols. The requirements of BP2905 and AP2905 are in addition to and not in lieu of any additional requirements for mitigating COVID-19.

7. Notice. Each Contractor, Vendor, Supplier, Consultant, or Visitor is responsible for delivering a copy of this Notice to all employees, independent contractors, or other persons acting on behalf of them or their organization.
