

**Local Application Program Information by TOP Code**

College: CERRITOS COLLEGE

Agreement No.: 17-C01-006

Program Title: Computer Systems Analysis

TOP Code: 070730

**Briefly describe program improvement issue(s) concerning this TOP code and include specific examples. (Limited to 2,000 characters, or approximately ½ page of text.)**

All core indicators are N/A or N/R. The department needs to market its Systems Analysis courses and survey students about times and formats for the courses. The department needs to continue to investigate including more Systems Analysis courses into new pathways. The department needs to make our new ALC (Advanced Learning Classroom) fully functional. Systems Analysis often involves the use of team activities. The ALC should be an ideal classroom for team activities the the offering of “flipped” classes

**Briefly describe how the issue(s) will be addressed. (Limited to 2,000 characters, or approximately ½ page of text.)**

The Systems Analysis Certificate of Achievement and AA degree has been updated and approved. The department needs to continue looking for ways to tie Systems Analysis into an IT Pathway and additional Information Technology courses in general. We are ordering HDMI switches and cables and digital displays to provide limited functionality for our ALC. We have put forth a budget item as part of our program review to pay for software and hardware to make the ALC a professional teaching and learning environment. We will purchase interactive whiteboards to further enable team activities in the ALC and provide enrichment activities for students in Systems Analysis classes.
