Welcome to Cerritos College Professional Learning for All!

Welcome to our professional development portal at Cerritos College. Through it, you will be able to access professional-development opportunities facilitated by our Cerritos College colleagues as well as those offered by the California Community Colleges' Vision Resource Center.

At this time, our Center for Teaching Excellence (CTX) is scheduling most of the local professional learning on this portal – though we will be collaborating with our colleagues in Employee Development and Staff Development.

If you need assistance with this portal, please contact Monique Valencia in the CTX at mvalencia@cerritos.edu.

Attention 10 Month Faculty!

You are required to complete 20 hours of Flex and 4 hours of Compliance Training provided by the District for the 2024-2025 academic year.

For questions, please contact the CTX office.

Thank you!
