

AB540 DREAMERS CONFERENCE

Saturday, April 8, 2017

The AB540 Dreamers Conference is an educational event empowering our youth, their families, and our communities to know their rights and continue their struggle in pursuit for higher education. The conference is open to students, parents, educators, allies and the community at large. The conference aims to raise awareness about the issues that impact our community by providing speakers that will educate the public on said issues such as:
