

What Rhymes with Banana?

If I make up
A word then it
Will rhyme. Shoot, I
Don't know. Monkeys everywhere.
Eating slimy, smelly bananas.
Let me tolerate bananas.
Stop putting them in
My food. Throw those
Bananas away. Gnats Gnats.
Ew, kill them. Dang
Bananas. No, don't give
Me that banana pudding.
How about some bananas
In your smoothie? How's
About not? You eat
Bananas almost everyday. Ah!
I throw most away.
Don't go saying nothing.
