Online Teaching Certification Pathways

Approved: May 05, 2020
Revised: May 13, 2025

This document outlines the approved pathways for Cerritos College faculty to become certified to teach distance education courses at the college.

- **College-Provided Programs**

    a. [Cerritos College's Online Certification Program](): A comprehensive internal training covering online pedagogy.

    b. [EDT 125: Fundamentals of Online Teaching](): A 9-week course at Cerritos College.

- **External Programs**

    a. [Certificate in Online Teaching & Design Through @ONE]()

    b. [Certification From Accredited Colleges and Universities]()

- **Alternative Pathways**

    a. **Summer Boot Camp:** Two-week intensive training (*offered by the Distance Education Coordinator*).

    b. **Test-Out Option:** Demonstrate competency via assessment for newly hired faculty.

    c. **Use of an Approved Course Template:** Faculty may utilize an approved Canvas course template for an online class while earning online certification during their first semester at Cerritos College.
