Distance Education Modality Definitions

Approved: May 10, 2022.

Revised: February 25, 2025; March 31, 2026.

Approved Definitions:

- **Online:** All instruction and interaction are online with no mandatory synchronous nor in-person meetings.
 - **Live Remote/Online:** There are required scheduled remote meetings in real-time that are noted in the schedule of classes. All instruction and interaction are online.
 - **Hybrid:** There is a combination of scheduled in-person or live remote meetings and online asynchronous teaching and learning with regular and effective interaction in both modalities.
 - **Online with Required Activities:** All instruction and interaction will take place online except for either noted assessments and/or specified activities, which will be in person or remote.
 - **Hyflex:** A multi-modal format that provides students the choice for each scheduled class meeting to attend either in-person or remotely (synchronous online). All instruction occurs in real time, allowing students across both modalities to interact with each other and the instructor.
