

SUPERHERO

"RETURN BETTER THAN YOU LEFT"

Dr. Humberto Hernandez is a licensed psychologist and currently works in Student Health at Cerritos College. He earned his Ph.D. in Counseling Psychology at Washington State University. Dr. Hernandez utilizes a culturally informed and integrated approach to psychotherapy, staying cognizant of current research and evidence-based practices. He has worked several years in higher education settings, as he enjoys supporting college students' emotional development as they reach their academic and life goals.
