1. Reviewing Pathway Mappers and Scheduling Tools

- Discussed various tech tools that have been previewed
- Traci also
- (Oct. 19) Bakersfield/Concentric Sky Mapper [Bakersfield example](#)
 - Traci reported that due to their aggressive timeline will not pursue “first wave” of the Bakersfield program mapper
- (Oct. 23) CPP/VitaNavis (Myers-Briggs) Onboarding Tool <https://vitanavis.com/placementu?promo=VN18>
 - Kristi noted that this tool could be a good opportunity to work with our K-12 partners. Could perhaps share the costs and access to the resource.
- (Oct. 23) EAB Navigate Onboarder/Mapper/Scheduler/Enrollment Mgmt: Fully-Integrated Planning <http://pages.eab.com/EarlyAlert.html> 16:45; www.eab.com
- (Oct. 23) Full Measure Communication Tool <https://fullmeasured.com/>
 - Frank and Traci participated in a brief video conference demo. It is primarily a communication tool to send mobile communications campus-wide. It would sit on top of something like Starfish.
- (Nov. 19) Starfish <https://www.starfishsolutions.com/>
 - Traci will set up an in person demonstration
