I want to personally invite you to register for the 9<sup>th</sup> annual *Transforming the Teaching & Learning Environment* virtual conference starting on February 12<sup>th</sup>, 2018. The conference showcases valuable perspectives on teaching and learning from a diverse pool of scholars and attracts participants from across the country.

During two weeks in February will be 60 one-hour interactive sessions, all delivered right to your computer or mobile device using Zoom. Plus, all the sessions are recorded so you can watch the ones you missed. Topics have included: online learning, emerging technologies, classroom design, mobile learning, academic integrity, online assessment strategies, flipped classroom, gamification and more! It's a real value at only \$60 for an individual registration.

Visit our [conference website](#) to see the list of sessions and to [register](#). If you have questions, don't hesitate to contact me (Bob Hails).
