## FACULTY PROFESSIONAL DEVELOPMENT COMMITTEE AGENDA

1 p.m., April 12, 2022; Zoom

1. Approving: Minutes for March 8 Faculty Professional Development Committee (FPDC) Meeting
2. Nominations for Our Award for Outstanding Contributor(s) to Professional Development
3. Changes to the Curriculum for the New Faculty Orientation Program?
  - a. For 2021-2022, we have only one first-year, full-time faculty member participating in our New Faculty Orientation Program (NFOP) – Donna Robinson in the Art Department. Because of that, we have personalized the program for her needs at this particular point in her career at Cerritos College.
  - b. For 2022-2023, however, we are anticipating approximately fifteen first-year, full-time faculty will participate in the NFOP. With that in mind, Greene proposed during our March meeting that the committee revisit the list of topics for the program, which was created pre-pandemic, to determine if any updates are needed.
4. Discussing: Potential Return to Face-to-Face Operations for the Center for Teaching Excellence (CTX) as Soon as This Summer
5. Sharing: Statistics on Our Professional Development Offerings So Far in 2021-2022
6. Asking: How Do We Want to Complete Our Review of the 2021-2022 CTX Calendar of Events?
7. Sharing: Professional Development Related to Distance Education (DE)
8. Previewing: Professional Development Related to Open Educational Resources (OER)
9. Promoting: Selected Events – All on *Cornerstone*
  - a. The Equity-Minded Syllabus – April 15, April 22, and April 29
