

Cerritos College Library: Logging in to Kanopy

Kanopy is easy to use but requires additional set-up when accessing it for the first time, off campus or when using a mobile device. This document will explain how to log in to Kanopy from a computer off campus. It will also explain how to download and connect to the Kanopy app. Users must download the app in order to access Kanopy content on their mobile devices such as a smartphone, iPad, and other tablets.

From a Computer

1. Log into [Kanopy](#) or select the link to a film from the catalog
2. Select “Log in to Cerritos” button from the Kanopy page

3. It will take you to Step 3 of 4: Access Kanopy Through your University. Please select “Log in to Cerritos” button

STEP 3 OF 4

Access Kanopy Through Your University

Use your **Cerritos Community College District** login to connect with Kanopy

6. Kanopy will now ask you to create your own individual user account. If you don't do this, you won't be able to view content on the app. You can connect to your existing Google or Facebook accounts or create an account with Kanopy.

The image shows the Kanopy account creation interface. At the top left is a back arrow and the text "kanopy". At the top right is a "Log In" link. Below this is a horizontal line, followed by the text "STEP 4 OF 4" and the heading "Create Your Account". There are two large buttons: "Sign Up with Google" (with the Google logo) and "Connect with Facebook" (with the Facebook logo). Below these is a horizontal line with the word "OR" in the center. There are four text input fields: "First Name", "Last Name", "Email Address", and "Password". At the bottom, there is a line of small text: "By signing up you confirm that you're 13 years or older and agree to Kanopy's Terms and Privacy Policy." Below this is a large grey button labeled "Sign Up".
