

Creating Access and Equity for students with Open Educational Resources

Keynote Speaker and Facilitator:

Dr. Cable Green

Director of Open Education at Creative Commons

Cable works with the global open education community to leverage open licensing, open content, and open policies to significantly improve access to quality, affordable, education and research resources so everyone in the world can attain their education goals. He's a leading advocate for open licensing policies that ensure publicly funded education materials are freely and openly available. Cable has 20 years of academic technology, online learning, and open education experience and helped establish the Open Course Library.

Friday, October 28, 2016 | 8:30AM - 3:00PM | Student Center

This annually popular and successful one-day conference will feature presentations, hands-on sessions, and a keynote address. The focus will be on Open Educational Resources and how OERs can provide increased access, equity, engagement, and success for students.
