

Turnitin.com

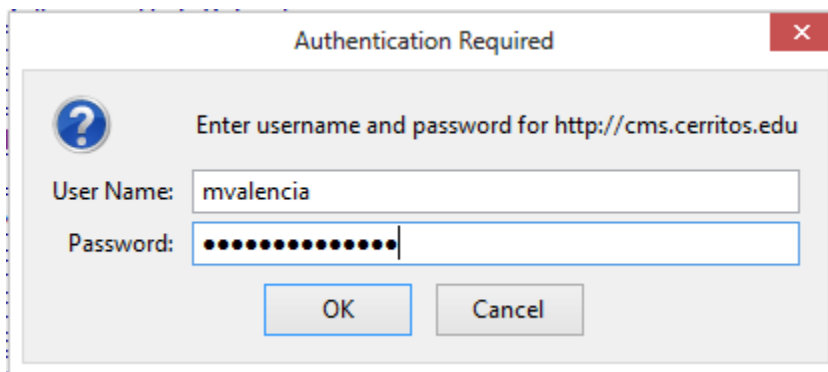

To start, let's visit the Center for Teaching Excellence by typing the link below into the address bar.

Next, click on **Classroom Resources** located on the left side on the navigation pane.

After you have click on Classroom Resources, at the bottom of the bullet list, click on **Turnitin**. Once you have click on Turnitin, there will be a pop-up windows asking for your credentials (Cerritos College Username and Password). Fill in your information and press Ok.

This is where you will find instructions on creating a Turnitin.com account as well as helpful links to tutorials/videos on Turnitin.

If you need any further assistance, please call Christina Rodriguez at ext. 2797 to set up an appointment with a CTX Trainer.
