1. CALL TO ORDER

Patrick O'Donnell called the meeting to order at 9:04 am.

2. APPROVAL OF MINUTES

Michele Kingston made a motion to approve the Oct. 13, 2020 minutes and Erik Duane seconded it. The minutes were approved with 2 abstentions.

3. INFORMATION TECHNOLOGY STANDARDS DISCUSSION

Patrick opened the meeting by asking Javier Banuelos to discuss the benefits of "JAMF for Macintosh" system with the committee members. Javier gave an in depth demonstration and answered questions that committee members had. A discussion took place. Erik made a motion to approve the new standard for JAMF for all Macintosh devices and Javier 2nd it. The motion passed.

Patrick spoke to the committee members about the new Hewlett Packard desktop and All-In-One standard that are up for approval. He mentioned that the hard drive is much faster on the Elitedesk 800 G6 and is approximately \$20.00 more with a cost of \$784.00 per unit. The committee discussed the changes and all questions were answered. Michele made a motion to approve the new standard and Erik 2nd it. The new standard was approved. Patrick continued to give the committee members information on the Elitedesk 800 G6 All-in-One for student lab environments. He stated that it has been upgraded to an SSD with an additional cost of \$130.00, coming in at \$1,010.00 per unit. Michele made a motion to approve the new standard and Aemiro Beyene 2nd it. The new standard was also approved.

Patrick gave additional information on the laptop docking station topic. He said that there is an option to have a monitor with the docking station. He wanted to let the committee know that this is an option but both he and Javier do not think it would be a good idea for because the life of the monitor might not last as long as a standalone docking station. He said, "We are looking for other options and/or recommendations. Michele made a motion to approve providing a docking station and monitor for Full-Time Faculty and desktops to Confidential and Classified employees, docking stations and monitors for Managers would be an option. Erik 2nd the motion and it was approved with 1 abstention.

Patrick asked if there were any questions or comments. Randy Diaz asked “why the Wi-Fi is so hit/miss around campus?” Patrick said that a survey was done earlier in the year and more Wi-Fi will be added, also, we will be upgrading Wi-Fi control per the I.T. Master Plan. He is also open to hearing from Randy, Student Representative I.T. Standards, about student needs. He then asked if there were any items from the floor. There were none.
