Subject: Vice President of Student Services Search

Dear Colleagues,

I am happy to report that we are narrowing our search to fill the Vice President of Student Services position. The initial interviews have been scheduled for July 12 and 13. Following the initial interviews, my office will send an email notification announcing the names of the finalists. The final interviews and campus forums will take place on July 18 and 19. All forums will be at 11:00 a.m. and 3:30 p.m. in the Student Center and Live Streamed. Faculty, management, staff, and students are encouraged to attend. The candidates will be given an opportunity to discuss their qualifications for the position, share their educational and leadership philosophy, and respond to forum questions. After the forums, a feedback survey and forum recordings will be posted on the Human Resources website.

Best,
Jose
