

Office of the  
President

May 16, 2022

Dear Colleagues:

It is with mixed emotions that I announce the resignation of Dr. Lauren Elan Helsper, Director of Diversity, Compliance, and Title IX Coordinator. Dr. Elan Helsper accepted a position as Director of EEO, Leaves, and Workplace Safety Programs at College of the Canyons. Please join me in wishing Dr. Elan Helsper well on her new endeavor and thanking her for her dedication and service to Cerritos College. Her last day will be Friday, June 3.

Effective June 6, Erin Miles, Investigator Deputy Title IX Coordinator, will serve as our Acting Director of Diversity, Compliance, and Title IX Coordinator. Erin brings years of experience in the realm of Title IX and discrimination/harassment investigations, ADA accommodations, and compliance.

Thank you,  
Jose
