President

November 23, 2022

Dear Colleagues,

In keeping with the annual holiday tradition, I am reflecting on what I am thankful for. I would like to say that I appreciate each of you. Coming through the pandemic and being able to share time and space with you on campus has rejuvenated me. Being part of this dedicated team has helped me to focus on the important and exciting work we have ahead of us for our students and community.

Thank you for being a part of this team, thank you for all the laughs, thank you for all the hard work, and especially thank you for lifting my spirits when it was much needed. Please enjoy a very Happy Thanksgiving. I would enjoy hearing from you on how you plan to spend your holiday with family and/or friends. I hope that you have a restful and pleasant weekend.

Jose
