

Office of the
President

July 17, 2023

Dear Colleagues,

As you may have heard, Miya Walker has resigned as Director of College Relations, Public Affairs, and Governmental Relations. I want to express my appreciation for the valuable work she accomplished during her time at Cerritos. Ms. Walker played a pivotal role in strengthening the image and role of Cerritos College within our community and achieving a wide array of campus initiatives. Please join me in wishing her all the best in her next endeavors.

Martha Pelayo, Interim Executive Director of the Cerritos College Foundation, has graciously agreed to oversee the daily operations of the Public Affairs Department as we transition to new management. Ms. Pelayo's expertise and support of the campus through the Foundation makes her the ideal individual to assist us during this transitional period. I also want to share that Andrea Wittig, Manager of the Office of the President, Trustee Services, and Strategic Initiatives has formally begun her new management position and will be providing active support to the Public Affairs Team related to governmental relations and strategic initiatives.

I want to express my gratitude to our Public Affairs Team for their excellent work over this past year. They have remained an integral part in promoting our college's image and enhancing the college experience for our students. I am confident that the department will continue to produce their exceptional work during this transitional period.

If you have any questions or concerns, please don't hesitate to contact me.

Jose

Jose L. Fierro, D.V.M., Ph.D.
