Dear Cerritos College Family,

As we head into the Thanksgiving break, I want to share my gratitude for each of you. This year has brought challenges, yet through it all you have continued to lift our students with your care, your dedication, and your belief in their potential. Because of you, they find the courage to keep going, to grow, and to imagine brighter futures for themselves.

I am especially thankful for the unity our campus has shown as we navigate the uncertainties created by federal changes. Your strength and compassion remind me every day why Cerritos College is such a special place. Our students feel seen here. They feel supported here. They feel that they belong. That is because of you. One community. One campus.

As you enter this holiday break, I hope you find rest, joy, and time with the people who matter most. Please know how grateful I am for everything you do for our students and for one another.

Wishing you and your loved ones a very Happy Thanksgiving.

Jose
