SPECIAL RECOGNITIONS

CERRITOS COMPLETE — Cerritos Complete is the College's official California Promise Program that provides high school seniors from ABC, Bellflower, Downey, Norwalk-La Mirada, Paramount Unified School Districts, and Field of Dreams Charter School two years of college - free. The program also provides student support services including one-on-one counseling, early enrollment, and financial aid to help students succeed. Cerritos Complete assists high school seniors with a smooth transition to college, and allows students to explore career options, save money, and graduate from college on time. Cerritos Complete won the 2018 Examples of *Excelencia* Award (associate level), and was selected as a finalist for the 2018 Bellwether Award. Since its inception in 2015, the program has served over 2,500 students.

OPEN EDUCATIONAL RESOURCES — Cerritos College's Open Educational Resources (OER) project began as a pilot program to create a comprehensive set of general education course designs using OER to improve the success of at-risk students. Since then, the program has seen dramatic improvement in student success rates by enhancing student learning at greatly reduced costs. The project was chosen as a Campus Technology Innovator by Campus Technology magazine. In 2016, the project received the Online Learning Consortium's Digital Learning Innovation Award.

STRONG WORKFORCE STARS — Twenty-six of Cerritos College's career technical education programs recently earned recognition as California Community Colleges' Strong Workforce Stars. Gold Stars are Dental Hygiene and Registered Nursing. Silver Stars include Engineering Technology, New Product Development, Machine Tool Technology, Physical Therapist Assistant, Dental Assisting, and Infant/Toddler Teacher. Bronze Stars are Welding Technology, Automotive Technology, Automotive Collision Repair, Accounting, Business Management, Cosmetology, Children with Special Needs, Architecture and Architectural Technology, Drafting Technology, International Business and Trade, Speech-Language Pathology and Audiology, Office Technology-Office Computer Applications, Computer Programming, Computer Networking, Administration of Justice, Retail Store Operations and Management, Culinary Arts, and Human Services.

GREEN CERRITOS CAMPUS SUSTAINABILITY INITIATIVES

— Cerritos College is an environmental steward. The District is dedicated to adhering to sustainability practices and policies that conserve the planet's diminishing natural resources. The District is creating a campus environment that fosters sustainability through conscious decision-making strategies. The College received Green Technology Magazine's Green Community College Leadership Award for reducing its water consumption by using reclaimed water for landscape irrigation. The California Community Colleges/Investor Owned Utilities (CCC/IOU) partnership selected the College for a pilot study to develop a Campus Energy Master Plan. The College received the California Community Colleges Board of Governors 2017 Energy and Sustainability Award for its Science Building retro-commissioning project that is saving the campus \$25,000 in energy cost annually.

STUDENT ETHNICITY (SPRING 2019)

In addition, the college is home to more than 300 international students representing 35 countries.

Women's track & field team wins ninth state championship

Men's soccer team earned its first national championship
