Capstone Portfolio	Resume, Leadership, Cumulative Work	5
		Total: 11 or 13

- Courses subject to change.
- Students interested in this collaborative track should see their advisor at CC for details.
- An ADN degree does not guarantee admission to the final year. Students beginning the final year at CSULA must have a 3.0 grade point average in all of their course work to that point, have passed the NCLEX, and be GE certified. If demand exceeds capacity, other admission criteria may be put in place.
