We Support Students

Financial Aid (2024-25)

- Approximately 56% of Cerritos College students receive financial aid.
- The College disbursed more than \$66 million in financial aid.*

**Source: Cerritos College Financial Aid Office*

Over **\$250k** awarded to students in Cerritos College Foundation scholarships.

Student Accessibility Services (SAS)

- SAS provides accommodations and support services for students with disabilities which promote access to and success in their academic pursuits.

Basic Needs

- The Falcon's Nest provides support with food, clothing, housing, and more!
- The Village at Cerritos College, in partnership with Jovenes, Inc., is California's first community college housing project exclusively for housing insecure students.

Two Years Free Tuition for eligible students!
