

What Should I Take?

Are you undecided, uncertain or unsure about choosing courses, but maybe have some interests you would like to pursue? Try some of these classes to further your knowledge or your interest in a specific area.

- Sample a variety of disciplines in General Education categories.
 - Flip through the Class Schedule & select classes with titles that sound interesting to you.
 - Investigate subjects you never had a chance to check out before.
 - Complete some electives of your choice.
 - Explore! Try an introductory course in a subject you know nothing about.
