ASSOCIATE IN ARTS DEGREE IN SOCIAL JUSTICE STUDIES: CHICANO STUDIES FOR TRANSFER

The Associate in Arts in Social Justice Studies-Chicana/o Studies for Transfer (AA-T) Degree is intended to meet the lower division requirements for Chicano Studies majors (or similar majors) at a CSU campus that offers a baccalaureate degree in a relevant or similar major. This program is designed to prepare students for seamless transfer to a CSU to pursue degrees and programs related to race and ethnicity.

Upon completion of this program, students will possess foundational understanding in the field of Social Justice Studies-Chicana/o Studies and an awareness of the major theories and concepts that give voice to the lived experiences of Mexican American, Chicana(o), and Latinx communities.

The AA-T in Social Justice Studies-Chicana/o Studies program introduces students to the broader field of Social Justice Studies, providing a theoretical framework for the study of race, ethnicity, gender, and identity through an intersectional lens while also providing students with the opportunity to examine, analyze and contextualize, historical, social, and political contexts and events that have shaped the experiences of Mexican American, Chicana(o), and Latinx communities.
