

Child Development Permit Questions / Application Completion Instructions

(Issued by the California Commission on Teacher Credentialing)

Students with questions regarding Child Development Permits should be directed to any fulltime Child Development (CD) Faculty Member during their office hours.

BEFORE seeing a fulltime CD Faculty member, students should:

Preview the Permit Video on the Cerritos College Child Development website
<https://www.cerritos.edu/child-development/child-development-permit-matri.htm>

- 1) Write down questions or concerns after previewing the video
- 2) Print a copy of all unofficial transcripts.

After reviewing the permit video, students may bring their transcripts to a fulltime CD faculty member during their office hour. Students should plan to arrive at the first part of the office hour and allow about 30 minutes.
