WeAreFalconSafe Update

Filming is wrapped and the website is almost ready to launch!! The committee discussed possible ways of distributing the promo video. Some of the ideas were to have class showings, showings on department and weight room monitors, to play the video on the marquee, and as part of orientations along with some other great ideas. This would include ASCC, Managers, CTX, NFOP, online/in person student orientation, and student radio. John Van Gaston and Miya Walker should be consulted. Student health and Athletics would need the files on DVD/flash drive to have videos/photos playing on screens.

Falcon PRIDE Update

There were changes made to the document based on committee suggestions and feedback. Dr. Hernandez will meet with Dr. Raphael to implement dates for the Student Survivor Groups. Dr. Raphael is confident that the website will launch in December.
