

## Sexual Assault Exams Continue

### Sexual Assault Response Teams (SART)

is a coordinated team of people who serve victims of sexual assault.

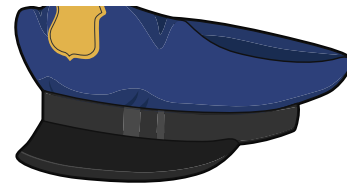

#### Evidence Collection

Quality evidence collection by trained and specialized professionals.

#### Exams Available

FREE exams including STI/SED and pregnancy prevention.

#### Mandated Reporting

It is CA state law that medical professionals contact police if they know/suspect rape.

## Forensic Nurse Specialists are here to help!

Please call us if you have any questions/concerns about SART exams for your patients!  
**24/7 answering service available, ask for a supervisor! (562) 497-0147**
