

- The Cerritos College General Education Curriculum (CGEC) is designed primarily for students interested in completing a local Cerritos College associate degree to prepare for a vocational career upon graduation.
- To earn a local associate degree, a minimum of 60 degree-applicable units must be completed with a 2.0 GPA, comprised of specific courses for a major, general education (GE), and electives as needed. CGEC, which is 24-28 units, is intended to meet the GE requirements.
- Students pursuing local associate degrees requiring 32 or more units for the major are exempt from Areas 8 and 9 below, including Biology, Microbiology, Engineering, and Engineering: Electrical Specialty, which meet the unit threshold due to required prerequisite courses.
- Courses in Areas 1A and 2 must be completed with a grade of "C" or higher or "Pass."
- CGEC may be used by students who wish to transfer in the future however, some courses listed on CGEC are not transferable to four-year institutions. Students following CGEC should see a counselor for guidance on selecting the GE plan that will best suit their goals.
- Students planning to transfer to California State University (CSU) or University of California (UC) need additional GE units beyond the 24-28 units required for CGEC, which should be selected from the California General Education Transfer Curriculum (Cal-GETC). These students are advised to check that the courses they select for CGEC are also approved for Cal-GETC. Courses denoted with a hashtag (#) below are not approved for Cal-GETC.
- Students may use Cal-GETC in lieu of CGEC to meet GE requirements for local degrees.

AREA 1 - ENGLISH COMMUNICATION: 2 courses (6 semester or 8 quarter units) - One course from each: 1A and 1B	N	IP	C
A. English Composition – 1 course (3 semester units) English (ENGL) C1000, C1000E English as a Second Language (ESL) 180 Course from other college: _____ AP exam: _____			
B. Oral Communication and Critical Thinking – 1 course (3 semester units) Business Communications Office Technology (BCOT) 148# Communication Studies (COMM) C1000, 100, 103, 120#, 125#, 132# Computer and Information Sciences (CIS) 101#, 102#, 103# Engineering Design Technology (ENGT) 131# English (ENGL) C1001, 110 Philosophy (PHIL) 103, 106#, 160# Psychology (PSYC) 103 Reading (READ) 103 Course from other college: _____
