### MUSIC (AA-T)

#### ASSOCIATE IN ARTS DEGREE IN MUSIC FOR TRANSFER

The Associate in Arts Degree for Transfer in Music (AA-T) is designed to prepare you for transfer to a four-year institution as a music performance major. You will learn in an environment modeled after leading four-year music universities. At the same time, you will be exposed to new technologies in music and develop professional skills to help you design and achieve your music career. The Music program offers individual instruction on a variety of instruments and voices in classical and contemporary styles such as pop, rock, and jazz. You have a choice of ensembles to perform in that best suit your instrument and musical style. As a music major you are required to take four semesters of music theory to prepare you for advanced studies at a four-year university. Entry into the AA-T is by audition only. You will also need to complete a music theory exam to test your musicianship. Auditions are held before the beginning of the Fall semester only.
