

PLAN B

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION CERTIFICATION AA DEGREE REQUIREMENTS 2024-2025

Counseling

- PLAN B is designed primarily for students who intend to transfer to the California State University (CSU). A student may use PLAN B to fulfill the CSU General Education Certification pattern which is acceptable for the lower division general education requirements for a bachelor's degree at all campuses of the CSU. Completion of this pattern is not a requirement for transfer to CSU, nor is it the only way to fulfill the lower division GE requirements of the CSU.
- Courses in Area A1 (Oral Communication), A2 (Written Communication) A3 (Critical Thinking), and B3 (Mathematical Concepts) Require a grade of "C" or better.

- Courses asterisked, although listed in more than one category, may be used to satisfy only one category
- A student may use Plan B general education requirements to fulfill the general education requirements for a local, regular (non-AAT/AST) degree. However, a student may not use Plan B to fulfill the Math Proficiency requirement for a local, regular (non-AAT/AST degree if they have taken FIN 125M, Personal Finance. They would have to meet one of the criteria specified in the Math Proficiency requirement for Plan A. Students should consult with a counselor if they have questions about this.
