## INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) AA DEGREE REQUIREMENTS 2023-2024

**Cerritos College**  
Counseling

- PLAN C** is designed primarily for students who intend to transfer to the University of California (UC) or who are undecided between transfer to the UC or the California State University (CSU). A student may use PLAN C to fulfill Associate in Arts general education requirements and the Intersegmental General Education Transfer Curriculum (IGETC). To complete an A.A. using PLAN C, students must also meet the Health & Wellness Proficiency requirement, specific coursework toward a major, and electives as needed to complete a minimum of 60-degree applicable units with a 2.0 GPA. PLAN C may not be recommended for some majors at certain UC or CSU campuses. PLAN C can be fulfilled by completing the IGETC requirements specified for either the UC or CSU.
- If a student wishes only to transfer and is not seeking an A.A. degree, there are no proficiencies required for IGETC certification. A minimum of 60 UC/ CSU transferable units is required for transfer. For other transfer requirements, please see a counselor.
- Completion of IGETC will permit a student to transfer from a community college to a campus in either the UC or CSU systems without the need, after transfer, to take additional lower division general education courses.
- The course requirements for **ALL** areas must be completed **PRIOR** to transferring to the CSU or UC in order for IGETC to be certified. However, as of fall 2000, a student may be partially certified if missing no more than 2 courses. See a counselor to determine eligibility for partial certification.
- All courses must be completed with a **grade of "C" or better**.
- Courses asterisked (\*) appear in more than one category but may be used to satisfy only one category. Courses with a "+" next to them indicate a UC credit limitation. See your counselor for details.
- Courses marked with a CL are cross listed with another course. See individual cross-listed course descriptions in the Cerritos College catalog. Cross-listed courses may only receive credit once.

The CSU has a specific American Institutions requirement that is separate from the general education requirements. Courses used to meet the American Institutions requirements may be used to satisfy requirements for IGETC, depending on the receiving CSU campuses policy. It is recommended that this requirement be met prior to transfer. The following will meet the CSU American Institutions requirements: 6 units, one course from Group 1 and one course from Group 2.

- Group 1: Chicano Studies 108: History 101+, 102+, 103+, 108

UC-bound students should be aware of American history and institution requirements at campus of choice. Requirements vary.
