LOWER DIVISION MAJOR PREPARATION FOR SPECIFIC TRANSFER INSTITUTIONS

California State University – Long Beach

This CSULB major has “major-specific admission requirements” which means that CSULB will require the specified courses to be completed for admission if a student is not completing an AAT or AST degree deemed “similar” by CSULB.

These criteria will be used for Fall 2021 and Spring 2022 admission consideration. Admission criteria are subject to change for future admission cycles. If a major is highly impacted, it will be noted in the description of each major and additional supplemental criteria and requirements are indicated in the major specific details. See your counselor for more information. Here is the link. www.csulb.edu/admissions/fall-2021-major-specific-requirements-transfer-students.
