

CERRITOS COLLEGE

NURSING

TRANSFER PREPARATION

IMPORTANT NOTICE: The requirements listed for the major are subject to change without notice. It is the student's responsibility to check for the most recent information with a Cerritos College counselor or by consulting ASSIST at www.assist.org. In addition, it is highly recommended that students visit each campus' nursing website for more detailed information on prerequisites and the admissions process.

NOTE: Courses listed may require prerequisite coursework.

The following program does not lead to an Associate in Arts Degree. To earn an A.A. degree, see Nursing in the catalog for the major requirements.

This CSULA major has “major-specific admission requirements” which are focused on transfer student preparation that predicts success in the major and promotes timely degree completion.

The criteria below reflect the current criteria as well as changes that will be used for the Fall 2021 admission cycle. The criteria listed will be reviewed annually for future admission cycles.

For Fall term admission, coursework must be completed no later than the prior Spring term. For Spring term admission, coursework must be completed no later than the prior Summer term. Be aware: Cal State LA currently only considers transfer students for Fall admission. Should additional spaces be available, Spring term applications may be considered in the future. This CSULB major has “major-specific admission requirements” which means that CSULB will require the specified courses to be completed for admission if a student is not completing an AAT or AST degree deemed “similar” by CSULB. These criteria will be used for Fall, 2021 and Spring, 2022 admission consideration. Admission criteria are subject to change for future admission cycles. If a major is highly impacted, it will be noted in the description of each major and additional supplemental criteria and requirements are indicated in the specific details.
