

2022 Women's History Month

Art as Civic Engagement

Monday, March 21 | 10 a.m. -12 p.m.

Presented by: Deborah Aschheim, public artist

Deborah will talk about art as a way of interacting directly with the public, and share her experiences as artist-in-residence embedded in government and civic agencies (including traditionally very "male" spaces.) She will show images from commissioned projects for public buildings as well as projects for public transit that bring the history of 1960s Civil Rights and social justice movements to life.
