ECHOOES

Multimedia Magazine

This upcoming Women's History Month will feature the second publication of the multimedia magazine, **Echoes**. The Spring 2023 edition asks students, faculty, and staff to submit pieces that speak to the theme:

“Women Providing Healing, Promoting Hope.”

Echoes edition welcomes a range of genres and mediums including essays, short fiction, original artwork, photographs, music/songs, poetry, and original videos.

The deadline for submissions is March 3rd.
