

2025 Women's History Month Student Art Exhibit

This event will be to showcase and celebrate the artwork of student artists for Women's History Month. The students' artwork will be on display in the glass display cases throughout the Fine Arts Building as well as visible in an online exhibition that will be on the college website for the month of March. The event will be an in person reception to allow the student artists to come together, along with friends, family and other college community members, to see their work on display and share it with the campus community.
