## A Conversation on Women and Curanderismo: The Complex Questions of Indigeneity, Witchcraft, and Mestizaje

Thursday, March 6 | 11 a.m.  
SS 139

Presented by:  
Dr. Cristina Rose Smith

Pulling from the works of Elena Avila, Ana Castillo, and Atava Garcia Swiecicki, this brief lecture will discuss the recent history, present, and future of women and curanderismo in the southwest and beyond. The goal of our time together is conversation and questions as well as reclamation of family medicine and stories.
