

Spring 2021
January 11 – May 21

Woodworking Manufacturing Technologies

Note: The college will be in hybrid mode for the spring 2021 semester due to Covid restrictions. Enrollment in in-person lab courses will be limited to 20 students total, and only 10 students will be allowed in the lab at any time. Lecture/demo will be all online, and students will meet in the lab for half as many meetings as in a normal semester.
